## QS-feedmonitoring

Dear Dr. Gatti,

we have checked your documents and your laboratory will receive the QS-approval for the QS-feedmonitoring for the following parameters:

**Aflatoxin B1 (HPLC), DON (HPLC), ZEA (HPLC), OTA (HPLC), dl PCB, ndl PCB, Dioxine, Heavy Metals, Pesticides, Salmonella**

It is the laboratory's duty to be able to detect with your applied analysis methods the requirements of feed analysis as defined in the european regulations.

The approval will be validated after incoming of the signed basic agreement. We send you attached the agreement in duplicate and would kindly ask you to send us both exemplars back by **31<sup>st</sup> of march 2010** the latest. We will send you one of the exemplar back signed by QS.

If you have any questions please feel free to contact us.

We are looking forward to a good cooperation.

Kind regards

Dr. Hermann-Josef Nienhoff
